Agenda Version 31

Santiago 2013 Symposium on Microgrids

Sheraton Santiago Hotel & Convention Center

Wednesday and Thursday, 11 & 12 September 2013

°°°casual clothing strongly preferred°°°

Monday & Tuesday, 9 & 10 September	
??:00 - ??:00	IEEE ChileCon 2013 (same hotel)
Wednesday 11 September: Morning Session San Cristobal Ballroom A+B	
08:00 - 09:00	registration & continental breakfast (San Cristobal C)
09:00 - 09:15	dignitary of major sponsor Welcome to Santiago
09:15 - 09:30	Chris Marnay, Berkeley Lab The Microgrid Symposium Tradition
Americas 1 – Chair: Rodrigo Palma, University of Chile	
09:30 - 09:50	Guillermo Jiménez, University of Chile Survey of Microgrid R&D in Latin America
09:50 - 10:00	*discussion*
10:00 - 10:20	Antonio Sarasua, Universidad Nacional de San Juan Battery Model for Microgrid Studies
10:20 - 10:30	*discussion*
10:30 - 11:00	break (San Cristobal C) *please take this time to view the posters
11:00 - 11:20	Nicanor Quijano, Universidad de Los Andes SILICE: A Colombian Smart Microgrid Pilot
11:20 - 11:30	*discussion*
11:30 - 11:50	Claudio Cañizares, University of Waterloo Remote Microgrids in Canada
11:50 - 12:00	*discussion*
12:00 - 13:30	lunch at the hotel pool

Wednesday 11 September: Afternoon Session	
Americas 2 – Chair: Jim Cale, NREL	
13:30 - 13:50	Jim Reilly, Reilly Associates U.S. Smart Grid Program
13:50 – 14:00	*discussion*
14:00 - 14:20	Lisa Dignard-Bailey, Natural Resources Canada Status of Microgrid R&D in Canada
14:20 – 14:30	*discussion*
14:30 - 14:50	Chris Marnay, Berkeley Lab L.A. AFB V2G Pilot Project
14:50 – 15:00	*discussion*
15:00 - 15:20	Anurag Srivastava, Washington State U. The WSU Microgrid
15:20 – 15:30	*discussion*
15:30 - 16:00	break (San Cristobal C) *please take this time to view the posters
Europe – Chair: Miky Albu, Politehnica U. Bucharest	
16:00 - 16:20	Nikos Hatziargyriou, ETP on Smartgrids Overview of European Smartgrids Initiatives
16:20 – 16:30	*discussion*
16:30 - 16:50	Gonçalo P Mendes, Instituto Superior Técnico Microgrid Adoption Scenarios
16:50 – 17:00	*discussion*
17:00 - 17:20	Alexandre Oudalov, ABB New Technologies for Microgrid Protection
17:20 – 17:30	*discussion*
17:30 - 17:50	Vincenzo Antonucci, ITAE CNR-ITAE Microgrid Research
17:50 – 18:00	*discussion*
18:00 - 18:20	Olimpo Anaya-Lara, Strathclyde University ????
18:20 – 18:30	*discussion*
20:30	Dinner in Sheraton Restaurant

Santiago 2013 Symposium on Microgrids

Sheraton Santiago Hotel & Convention Center

Wednesday and Thursday, 11 & 12 September 2013

°°°casual clothing strongly preferred°°°

Thursday 12 September: Morning Session	
08:30 - 09:00	continental breakfast (San Cristobal C)
Remote Apps. & Emerging Regions - Chair: Xavier Vallvé, TTA	
09:00 - 09:20	Terry Mohn, General Microgrids Microgrid Business Models for Africa
09:20 – 09:30	*discussion*
09:30 - 09:50	Nelson Stevens, Wireless Energy Chile Destores Project
09:50 – 10:00	*discussion*
10:00 - 10:20	Duo Luo & Wei Qu, XingYe Solar Dong'Au Island Microgrid
10:20 – 10:30	*discussion*
10:30 - 10:45	group photo shoot
10:45 - 11:00	break (San Cristobal C) *please take this time to view the posters
Asia 1 – Chair: Dong-Jun Won, Inha University	
11:00 - 11:20	Pekik Argo Dahono, Bandung Institute of Technology Microgrid Applications in the Indonesian Telcom Sector
11:20 – 11:30	*discussion*
11:30 - 11:50	Suryanarayana Doolla, IIT Bombay A Multi-Agent Approach to Demand Response and Storage
11:50 – 12:00	*discussion*
12:00 - 13:30	lunch at the hotel pool

Thursday 12 September: Afternoon Session	
Asia 2 – Chair: Ryoichi Hara, Hokkaido U.	
13:30 - 13:50	Kenichi Suzuki, NEDO Latest Results from the New Mexico Project
13:50 – 14:00	*discussion*
14:00 - 14:20	Yusuke Hayashi, Osaka U. DC/DC converter for DC distribution and DC microgrids
14:20 – 14:30	*discussion*
14:30 - 14:45	break (San Cristobal C) *please take this time to view the posters
Asia 3 – Chair: Meiqin Mao, Hefei U. of Tech.	
14:45 - 15:05	Honghua Xu, Chinese Academy of Science China's Microgrid Demonstration Program
15:05 – 15:15	*discussion*
15:15 - 15:35	Chengshan Wang, Tianjin University Tianjin University Microgrid Lab
15:35 – 15:45	*discussion*
15:45 - 16:05	Changhong Deng, Wuhan University Optimal Sizing of Distributed Generations in Microgrids
16:05 – 16:15	*discussion*
16:15 - 16:30	break *please take this time to view the posters
16:30 - 18:30	**Panel Session: Commercializing Microgrid Technology** chair: Bobby Sagoo, GE panelists: Atsushi Denda, Shimizu Corp. Juergen Zimmermann, ABB Toshihisa Funabashi, Meidensha Corp. Sung-Wook Hwang, KEPCO Jim Reilly, Reilly Associates
20:30	gala dinner

Friday 13 September: Microhydro Lab Tour	
bus departs Sheraton Santiago Hotel: 8:00	free tour of University of Chile MicroHydro Lab, & other local Santiago sites of interest
13:00	drop-off at Santiago Airport by arrangement
13:00	arrival back at Sheraton Santiago Hotel
lunch & dinner on your own	

Friday & Saturday 13 & 14 September: Huatacondo Microgrid Tour	
	Field Trip to (G/H)uatacondo Microgrid
Fri 13 Sep flight to Huatacondo	tour participants responsible for transportation and accommodation in Iquique
Sat 14 Sep bus departure for Huatacondo: 8:00	meet in lobby of Holiday Inn Express, Iquique http://www.holidayinnexpress.cl/en/iquique/overview-iquique
Huatacondo arrival: 11:30	Huatacondo Microgrid tour begins
Huatacondo departure: 15:30	bus will return by coastal route
Iquique Airport arrival: 18:30	tour participants responsible for onward transportation
Sat 14 Sep bus return to Iquique: 19:00	return to Holiday Inn Express, Iquique
no meals included
